#### Questions

Please provide a detailed description of the incident/concern using specific, concise, objective language (who, what, where, when, why, and how).

I am filing a report that Michael Chen at North Seattle Colleges is repeatedly harassing me. Chen constantly accuses me of dishonesty regarding my military service and work history. I am attaching messages from the U.S. Government Office of Personnel Management showing my eligibility as a Federal Medical Officer. I have passed the USMLE multi-state medical licensing examination. I have multiple job offers from my federal resume, which is now Michael Chen's primary complaint. How is the school complaining about my USAJOBS.gov resume that I use to get jobs. A TSA job for which I have passed a DHS background check and battery exam is included. Please do not share these government images with anyone outside those who will use them for administrative Title IX/EEO purposes.Â Please do not contact my workplaces.

#1 There is no WAC rule regarding a resume in a student's email signature.

#2. My Federal Resume is exported from USAJOBS.GOV. At this point, you are accusing the U.S. Government of dishonesty.

#3 It does not make it dishonest because you do not believe in my work experience.

#4 Some of my records require a Federal Security Clearance, which I do not think you have. Examples are USRIID, CCCRP, National Bio Agro Defense Facility, etc.

#5 My Federal Resume has a release of records form.

#6 I am not required to provide any additional government records to North Seattle College to attend my current classes.

#7 I was invited to the LSAMP Zoom session via email. We were asked to email German and the other staff with any questions.

Use the checklist below to indicate which behavior you are reporting. Check all that apply. If you are unsure which may be appropriate, please leave blank. This is not required in order to submit the report.

**Discrimination (not of a sexual nature), Harassment (not of a sexual nature), Hostile Work Environment,**

## **Bullying, Retaliation**
