**Questions**

Describe your complaint: Detail the situation(s) that give cause to your complaint. Provide as much detail as you can including dates/times and specific content of the incident(s). Attach any supporting documentation including email or canvas communications.

**There are posters all over the grove and LSAMP that post illegal content that could get people killed.**

**The posters say to reaist ICE. The posters state false statements that federal police require a warrant to search in Washington.**

**According to RCW 10.93.20 (6), Federal Law Enforcement can search and seize without a warrant. Please read the law before pretending to be a legal professional.**

**Additionally, according to RCW 9A.16.040 (1)(b), law enforcement officers can use lethal force to those offering actual resistance to their law enforcement duties. These flyers instruct readers to offer actual resistance to Federal Law Enforcement.**

**These statements are a form of academic dishonesty that could cost students our lives.**

**A better poster would advise people to write congress, or obtain a lawyer. Inciting illegal activities.**

**In Washington state, inciting resistance against law enforcement is addressed through various RCW sections, including obstructing a law enforcement officer (RCW 9A.76.020), resisting arrest (RCW 9A.76.040), and rendering criminal assistance (RCW 9A.76.050). Obstructing a law enforcement officer involves willfully hindering, delaying, or obstructing a law enforcement officer in their official duties. Resisting arrest occurs when someone intentionally prevents a lawful arrest. Rendering criminal assistance involves helping someone who has committed or is being sought for certain crimes.**

**RCW 9A.76.020: Obstructing a Law Enforcement Officer:**

**This section covers actions that hinder, delay, or obstruct a law enforcement officer in the discharge of their duties. This can include physical interference, verbal obstruction, or any action that prevents an officer from performing their duties.**

**RCW 9A.76.040: Resisting Arrest:**

**This section addresses the crime of resisting arrest, which occurs when someone intentionally prevents a lawful arrest by a peace officer.**

**RCW 9A.76.050: Rendering Criminal Assistance.**

**RCW 9A.40.020: Obstructing a Public Servant:**

**This section, under Chapter 9A.40, also covers obstructing a law enforcement officer, similar to RCW 9A.76.020.**

Describe all actions you took to raise the complaint to the faculty or staff member: In this area describe any conversations you had and/or indicate the email exchanged and attach that/those.

**I do not know who put up the posters. I made a statement in general to students in LSAMP that the poster was incorrect.**

Additional details: If there are other relevant situations that occurred not covered above that need to be described to further communicate the issues in support of the complaint detail those here and if any of those details are supported by documentation, attach that/those.
